

VELTYCO's HOLY GRAIL 2017: BINARY OPTIONS AND ZOOMTRADER(GLOBAL)!

By **Charlene** - July 10, 2018

What is Melissa BLAU doing next?

Since March 2018 *Melissa **BLAU*** is **VELTYCO**'s CEO. Her first official statement was done as of [March 29, 2018](#), noting that the ESMA ban on Binary Options does not affect **VELTYCO**'s business model as none of the companies with which **VELTYCO** cooperates would be active in the Binary Options business (which will soon be banned). In anticipation of the ban, the relevant activities would have been discontinued. Well, that's interesting. Especially when you consider that, according to its own annual report, **VELTYCO** still generated a considerable part of its turnover in 2017 with marketing revenues from the binary options sector. Here is the short explanation in the **VELTYCO** Annual Report 2017:
